# Welcome to Bantam

*At Bantam we believe in paying our staff a living wage. Our menu pricing reflects that. We also recognize that every job in this restaurant demonstrates effort and skill. For that reason, we eliminated the wage gap between front of house and back of house. Tips are also split equally across all employees.*

*When you leave a tip, you are tipping every person who had a part in your dining experience from dishwashers to bartenders. Thank-you for supporting Bantam and the people who work here.*
